

Free Meals Program

August 9, 2021

USDA has extended funding to provide ALL Midvale School District students with breakfast and lunch at no cost for the 2021-2022 school year.

For those parents who have money in their students' accounts, this money will carry forward until this program ends and students must once again pay for meals. For parents whose children have been charging for their past meals, those charges will remain on the students' accounts.

If parents have any questions about this program, please contact the school at 208-355-2234.

This institution is an equal opportunity provider.
