MIDVALE HIGH SCHOOL LOCALIZED PATHWAYS
STUDENT OPPORTUNITIES INVENTORY

OPPORTUNITY	RECCOMMENDED FOR	HOW TO ACCESS
HIGH SCHOOL OFFERED DUAL ENROLLMENT COURSES Midvale High School offers the following dual enrollment courses at the high school: MATH 143/144, ENGL 101/102	Students who are performing at or above grade level and have an interest in an associate's degree, bachelor's degree, advanced technical certificate.	Students should talk to their counselor if interested in taking dual enrollment courses.
COLLEGE PARTNER OFFERED DUAL ENROLLMENT COURSES Students may desire to take a dual enrollment course that is not offered by the high school. In this case, the high school would accept the college credit as a high school credit to meet the dual enrollment requirements. Students can take online courses from any accredited college, many are offered through IDLA.	Students who are performing at or above grade level and have an interest in an associate's degree, bachelor's degree, advanced technical certificate.	Students should talk to their counselor if interested in taking dual enrollment courses.
COLLEGE OF WESTERN IDAHO – OTTERBOUND PROGRAM Students seeking to earn an associate's degree may apply for the program through CWI. If students are accepted, they may take dual credit courses through CWI which also count toward their high school credits to earn a high school diploma and associate's degree (or credits to work toward an associate's degree) simultaneously.	Select students who are performing above grade level and have the work ethic to seriously commit to college-level studies while still in high school.	Students should talk to their counselor and then contact CWI to set up an advising appointment. Initiative must be taken by the student to apply for this program through CWI.
STUDENT CLUB AND LEADERSHIP OPPORTUNITIES Midvale High School offers a number of clubs that are designed to help students gain experience with different industries. Midvale High School offers the following clubs: FCCLA, FFA, BPA, NHS, Student Council.	Clubs are an excellent way for students to develop skills and gain experience in high school. Any student interested in education or work after high school would benefit from participation in a club.	For more information on clubs, students should contact the club's advisor. See directory for contact information.
